—Hog killing is going on at a fearful rate, as we go to press. Fresh pork will be plenty for Thanksgiving.

—Court will be held in and for this county during the week commencing on the 4th Monday of December next.

—Venison appears to be quite plenty in this neck of woods. We are creating a great deal of interest in the "Mac" for a new year.

—Paul de Chaille, the Justice, held a grand jury and explained lectures in the Court House in Clearfield, tomorrow evening.

—A. H. Steele has gone to James-town after his wife and the interior editor of the Tionesta Savin's Bank. Steele says when he gets them home he is going to settle down.

—Democratic papers have been airing their rosters for a few weeks past. We have they enjoy it, though for the life of us we can see much for them to rejoice over.

—Capt. Knox is contemplating building a neat warehouse on the vacant lot between his store and house. His increasing business and our need of the whole of the second story of his store seems to make this necessary.

—Detective McKeezie arrested two pickpockets on a train running on the O. C. & A. R. R., recently. They had taken some of our readers to play their business as long as "Mac" on the road.

—The Pleasant "Goslight" has removed to Ross-ville, and now appears as the Ross-ville Evening Bulletin. Mr. Jackson, the proprietor, promises enlargement immediately. The paper appears to be well supported, and deserves to succeed.

—A meeting of the Presbyterian society of this place was held on Friday evening of last week, and H. H. May, Esq. was elected to the office of elder. Rev. Leason, of Brookville, delivered sermons on Saturday evening, and Sunday morning and evening.

—N. B. Smiley, Esq., of Petroleum Centre, formerly connected with the Venango Citizen, favored us with a call on Saturday evening. He is practicing law at the Centre, and has adopted as his motto: "Let justice be done though the Heavens fall."

—Col. Dewees dropped in on us yesterday. He comes from Philadelphia, whither he went, for his wife, who is in town visiting with her parents. The Col. reports the Venango Co. Poor House progressing as rapidly as could be expected.

—Thanksgiving Day is on Thursday of this week. Turkeys are fattening in anticipation. Among other things we should be thankful for, is the fact that we ain't a turkey. Services will be held in the Church. We should all assemble there, and manifest by our presence, if nothing else, thankfulness and praise to the beautiful Giver of all mercies.

—Maj. John B. Hays has purchased the New Brighton Herald, and is to run that establishment hereafter. He has our best wishes.

—An abandoned editor cautions his tall readers against kissing short women, as the habit has rendered him round-shouldered. We ain't very tall and therefore ain't troubled that way.

—Reader is this a borrowed paper? If so, send us 50 cents, and we will send one for three months. It is cheaper than wearing out ten dollars worth of sole leather running over to your neighbor to borrow his paper. Try it.

—Good Will Lodge No. 899, I. O. G. T. was recently organized in Meadville, and is now in a flourishing condition. This is the second Good Templars lodge in working condition in that city. The cause is a good one, and we wish them "God Speed."

—A young lady in Greenville lately considered herself injured because a young gentleman ceased his attentions to her. So she procured a handful of capicum and placed it gently into his eyes. He "fails to see" her excuse for displaying so much warmth.

—We have received from the publisher, Samuel R. Wells, the "Illustrated Annual of Phrenology and Physiognomy," for 1871. It is full of interesting matter relating to these subjects, and is worth more than double its price, 25 cts. Address the publisher, S. R. Wells, 389 Broadway, N. Y.

—Capt. Knox has erected a lamp post in front of his store, ornamented on the outside with the bark of the sapling of which it is made. It supports a sort of a gas or gasoline lamp, which lights up the street about his store in a manner that is appreciated by all, and especially by our young men who stay out late at night.

—A Concert is talked of by the musical talent of Tionesta, for the purpose of raising funds to purchase an organ for the church here. The instrument is needed badly. Home entertainments have always been a vision realized here, and a beautiful organ in the ready result of this concert. Let sign on, by all means.

—We have been favored with numerous compliments by neighboring papers and persons, on the appearance of our paper since our "second advent" in Tionesta. We are much obliged, and of course appreciate anything of the kind, but what we most prefer is two dollars a year, in advance.

—We are glad to be able to state that the managers of the Oil Creek and Allegheny River Railroad, have reduced the charges on a certain class of freight, such as lumber, etc., nearly one half. This will let our lumbermen out of their "fix" occasioned by the non-appearance of a fresher fall, to a certain extent.

—It is only occasionally we get off an article which is deemed worthy of being copied into other papers, and, as a consequence we desire full credit for the "bright" things which a minutes from this paper. We were led to say the above by seeing one of our carriers, and copied into the Forest Press. A little of that sort of thing will go a good ways with us.

—The Clarion Republican has changed hands, Geo. O. Morgan retiring, and J. H. Patrick assuming control of the paper as editor and proprietor. Mr. Patrick is a lawyer, and has for many years practiced in Clarion and is well known as an earnest advocate of Republican principles. We have no doubt but that he will satisfy the fastidious Republicans of Clarion County. We hope he may succeed in making that Democratic County aware of its errors, and fetch it out at the next election as a true blue Republican County.

—The following report of the Tionesta Union School for the month ending Nov. 11, 1870, was handed in too late for publication last week: Whole number enrolled, 66. Average daily attendance, 44. Number of visitors, 2. The following are the names of those who did not miss more than one day of school:

- Adelva Roberts, Oliver Proper, Lucy Roberts, Robert Haslet, Alice Proper, James Haslet, Cora Knox, Alexander Dale, Maggie McGaun, Harley Fisher, Alvaretta Paup, Ida Paup, Louise Killmer, Flora Haslet, Emma Sawyer, Annie Sawyer, Laura Winans, A. C. PORTER, Principal.

—We were away three days last week seeing about the purchase of jobbing materials for this office, and that may account for any dearth of local in this weeks issue. We hope by next week to be able to say that we are all ready for jobs large or small, fine or coarse, grave or gay, lively or severe.

ADDRESS

To the Nervous AND DEBILITATED.

WHOSE sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable;

If you are suffering, or have suffered from involuntary discharges, what effect does it produce on your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, frequently get out of order? Is your urine sometimes thick, milky or foamy, or is itropy on setting? Or does a thick skum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you feel dull, listless, mooping, tired of company, or life? Do you wish to be left alone, away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? Do the bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pur sue your usual avocations with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so, do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver-complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man did you ever think that those bold, determined, persevering, successful business-men at all ways those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They never afraid they cannot succeed in business; they do not become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast eyes, or any meanness about them. I do not mean those who keep the organs idle, by running to excess. Those will not ruin their constitutions, but also they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excess, have brought about that state of weakness in those organs that has reduced a general system so much as to produce almost every other disease—lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract Buchu, established upward of 19 years, prepared by H. T. HELMBOLD, Druggist, 394 Broadway, New York, and 104 South 19th Street, Philadelphia, Pa. Price—\$1.25 per bottle or 6 bottles for \$6.50, delivered to any address, sold by all Druggists everywhere.

None are genuine unless DONE UP IN SUEL ENGRAVED Wrapper, fac-simile of my Chemical Warfare, and signed H. T. HELMBOLD. 29-1y
